

Gyrostat Risk Managed Equity Fund (Fund)

ARSN 651 853 799

UPDATED INFORMATION

The purpose of this Update is to update the Product Disclosure Statement ("PDS") for the Fund dated 20 October 2022 with information that is not materially adverse to investors.

Updated fees and costs disclosure information for the Fund

As responsible entity for the Fund, One Managed Investment Funds Limited (ACN 117 400 987) ("Responsible Entity"), must annually consider whether the fees and costs disclosed in the PDS must be updated.¹ The Responsible Entity has formed the view that the changes to the fees and costs disclosed for the Fund are not materially adverse to investors and consequently, the relevant updated information is being provided to investors through this website disclosure rather than through the issuance of a new product disclosure statement and additional information booklet. The following information is to be read in conjunction with the PDS for the Fund.

Management Costs

Management Costs are made up of the Management Fees, Performance Fees and Indirect Costs, which include any Expenses not paid out of the Management Fee (refer to 'Management Costs' in section 9 of the PDS).

The Responsible Entity and the Investment Manager have not changed the fees they charge to the Fund. Changes to the fees and costs disclosed below relate to expenses for the Financial Year ending 30 June 2025. Management Fees and Costs as a % of NAV are lower for all classes except Class E; transaction costs as a % of NAV are lower for all classes except B, than those disclosed in the PDS.
